INTERNATIONAL PROGRAMS OFFICE

**YOUNGSTOWN
STATE UNIVERSITY**

Y and proud.

James P. Tressel
President

Thank you for expressing your interest in Youngstown State University as you prepare to take the next step in your academic career. We invite you to explore our beautiful campus, learn about our award-winning programs and meet our talented faculty and successful alumni.

Above everything else, we are committed to your success. Our objective is to provide you with the learning opportunities inside and outside the classroom that you will need to earn your degree and to set yourself well on your way to a successful and rewarding career.

Those opportunities abound around every corner at YSU: state-of-the-art labs and studios; one-on-one relationships with faculty; nationally-accredited academic programs; entertainment, cultural and sports activities; nearly 200 student organizations; a variety of housing options; and hundreds of meaningful internships, co-ops and leadership opportunities. Add that to our attractive scholarship packages and a competitively low tuition rate, and you end up with one of the greatest higher education values in the nation.

Find out for yourself what it's like to be a Penguin. We look forward to welcoming you to the YSU family.

Go Penguins,

A handwritten signature in black ink that reads "James P. Tressel". The signature is written in a cursive, flowing style.

FACTS ABOUT YOUNGSTOWN STATE UNIVERSITY

Accreditation

YSU is a public university located in Youngstown, Ohio, accredited by the Higher Learning Commission and is a member of the North Central Association (www.ncahigherlearningcommission.org).

Founded in 1908.

Student-Faculty Ratio 14:1 Undergraduate Class Size

Lecture: **26.9**

Laboratory: **13.6**

Recognition

- **Forbes** Top Colleges (2015)
- **US News and World Report** ranks the Engineering program in Top 25%
- Undergraduate Business and MBA Programs are **AACSB accredited**
- Most affordable University in Ohio

Academics

YSU offers **110+** undergraduate majors through its six colleges:

- Business Administration
- Education
- Creative Arts & Communication
- Health & Human Services
- Liberal Arts & Social Sciences
- Science, Technology, Engineering & Mathematics

The College of Graduate Studies offers **54+** master's programs, one specialist program, doctorates in education and materials science and engineering, and the Doctor of Physical Therapy. YSU is also a consortium member of the Northeast Ohio Medical University (NEOMED).

Student Profile

- Total Enrollment: **12,471**
- Undergraduate: **11,176**
- International Enrollment: **400+**
- Nearly **91,000** YSU graduates working, learning and living all over the world

Facilities

- State-of-the-art academic facilities, equipment and laboratories
- The opportunity to work with accomplished, committed faculty for creative projects as early as freshman year

Campus

- 145 acres
- Located in city center
- One of Ohio's safest and most scenic urban campuses

YSU ACADEMIC AREAS OF STUDY

BEEGLY COLLEGE OF EDUCATION

The BCOE serves as a premier provider of programs that prepare teachers, counselors, educational administrators and practitioners.

“One of the best experiences for me here at YSU has been the staff and faculty in the Beeghly College of Education. We have some of the best professors on campus. They truly practice an open-door policy and go above and beyond to give you the tools to be the best professional educator that you can be. Most importantly, my professors have challenged me, which has allowed me to think critically, work effectively, get involved, and feel confident in my abilities to be an educator and a leader in any environment, and I thank them for that.”

Ahmed Sutton

Class of 2016, BSE, Secondary Education – Integrated Language Arts

BITONTE COLLEGE OF HEALTH & HUMAN SERVICES

The mission of the BCHHS is to transmit knowledge, develop critical thinking, and to serve society through holistic, integrative, and high-quality programs.

“As an Exercise Science, pre-PT student in BCHHS, I have been presented with numerous experiences and an education that has assured integration of my passions and studies – promising that not only will I find preparedness upon graduation for my career, but various aspects of my future. With exceptional guidance of faculty, advisors and our Dean, I am confident that, I have been shown to realize that as Health and Human Services students’ ‘we work to become, not to acquire,’ and as we do so, we will find true gratification.”

Gabriella Gessler

Class of 2017, Exercise Science/Pre-PT

COLLEGE OF CREATIVE ARTS & COMMUNICATION

The CCAC provides a dynamic learning environment in the creative and communication arts to strengthen and broaden the intellectual and cultural horizons of a diverse community.

“Being in the CCAC college has helped excel my creativity. Creativity is something that can’t be taught, but simply planted. One idea can grow and grow if you water it with creativity. Every opportunity is based on what you do with it, and CCAC showed me how to take advantage of each opportunity.”

Lincoln Williams

Class of 2016, Telecommunication Studies

COLLEGE OF LIBERAL ARTS & SOCIAL SCIENCES

CLASS prepares students for careers in the humanities and social sciences or in many cases for enrollment in graduate and professional programs.

“ I love being in the College of Liberal Arts and Social Sciences, because the faculty not only work hard to make sure you are on the right track, but they show confidence in your abilities and encourage you to be as successful as possible.”

Rachel Davis
Class of 2017, English

COLLEGE OF SCIENCE, TECHNOLOGY, ENGINEERING & MATHEMATICS

The STEM College at YSU is committed to delivering programs of excellence to an engaged learning community. Working with cutting-edge technology and performing research, students translate their academic study into real-world projects and problem solving.

“ Getting involved on campus is one of the simplest ways to set yourself up for future success. It allows you to network with a broad range of students, engage in relevant academic activities, and helps develop leadership skills. Outside of just working hard in the classroom, I really believe my success thus far can be attributed to making an effort to get involved and participate in different organizations.”

Hailey A. Sullivan
Class of 2017, Chemical Engineering

WILLIAMSON COLLEGE OF BUSINESS ADMINISTRATION

The mission of the WCBA is to prepare undergraduate and MBA students for productive and fulfilling careers as leaders in business, government, nonprofit organizations, and society.

“ The Williamson College of Business is one of the best colleges within YSU. WCBA is filled with amazing professors, programs and staff that offer students a wide variety of resources and networking opportunities. The WCBA has not only successfully prepared me, but helped me get my internship at WFMJ-TV. With small classes and amazing professors, my experience at WCBA has been nothing short of excellent. If used properly, WCBA's resources can get students on the right path to success in their careers.”

Stefan Della Gatta
Class of 2017, Marketing Management

YSU IS ONE OF THE BEST EDUCATION VALUES – ANYWHERE.

REACHING INTO YOUR FUTURE

Keep in mind: YSU is one of the most affordable universities nationwide. Our tuition rates will give you freedom and flexibility to start your career right away or explore more educational opportunities after you earn your degree.

[SCHOLARSHIPS]

When All Your Hard Work Pays Off

The following scholarships are available for qualified international undergraduate freshmen. Qualified students may be eligible for both scholarships.

INTERNATIONAL UNDERGRADUATE GPA-BASED SCHOLARSHIP

Based on a 4.0 scale GPA

GPA	VALUE
3.0–3.33 equivalent	\$1,000 <i>International Access Award</i>
3.34–3.69 equivalent	\$4,000 <i>International Achievement Award</i>
3.7 and above equivalent	\$7,000 <i>International Scholar Award</i>

- Available to incoming international freshmen only
- Automatically applied to eligible applicants
- Renewable for three years as long as students maintain a minimum GPA of 3.0

HONORS COLLEGE SCHOLARSHIPS FOR INCOMING FRESHMEN

VALUE	MINIMUM CRITERIA	RENEWAL
<ul style="list-style-type: none"> • Estimated between \$5,000 and \$18,000* • If renewed for full four years, estimated combined value is between \$20,000 and \$72,000 	<ul style="list-style-type: none"> • 26 ACT or SAT combined Math, Verbal and Writing 1260 (1760)* • 3.5 GPA 	<ul style="list-style-type: none"> • 24 credit hours per academic year • Minimum 12 hours per term • 3.0 overall GPA

* Qualifying SAT score for exams taken prior to March 2016 (composite for critical reading and math scores only).

Details available at:

<http://www.yсу.edu/academics/honors-college/scholarships>

"Joining the Honors College, I expected to graduate with an Honors diploma and nothing more. I've been totally surprised.

I've spent hours raising money for homelessness and building homes, weekends networking with graduates and professors, countless afternoons working closely with faculty on research projects, evenings building my résumé, and innumerable dinners with my best friends. I won't just graduate with a special diploma, I'll graduate with the foundation to support an incredibly successful life."

Brock DeAngelo
Class of 2017, Biology

The Honors College creates a community of intellectual excellence at YSU. Nearly 1,000 Honors College students engage in coursework, research, volunteerism, leadership and study abroad opportunities. These exceptional students are brought together from diverse disciplines and challenged with extraordinary courses and learning experiences, creating an overall enriched college experience. Honors students may further benefit by securing national scholarships; being accepted into prestigious graduate programs, and, of course, landing their dream job! The completion of the Honors College requirements allows members to receive recognition at graduation with the Honors Diploma and a special notation on their YSU transcript.

[CAMPUS LIFE]

Whether it's painting a mural on a city building with YSUScape, planning the next concert with Penguin Productions or raising money for clean drinking water in Uganda with Student Government, you'll find yourself immersed in a creative, aware and engaged student life on campus.

Student Organizations

We have more than 200 on campus. Still can't find the one that speaks to you? Build and lead it yourself; we'll make it easy.

Student Activities

It hits at Welcome Week every fall and continues to the end-of-the-year celebration in spring – the invasion of tons of student activities on campus. Concerts, Fall Fest, Homecoming, Volunteer Week, Federal Frenzy, Humans vs. Zombies...yeah, it's all covered.

Greek Life

Extend your Penguin family and go Greek. Our sororities and fraternities include some of the most involved leaders on campus who will support you, challenge you and become your brothers and sisters for life.

Rec Center

With over 33,000 square feet of workout space, the Andrews Recreation and Wellness Center is open to you free of charge all year.

- Strength and conditioning area with 70+ pieces of cardio equipment, 24 selectorized weight-training pieces, 40 plate-loaded and free-weight stations.
- Basketball and volleyball courts.
- High ropes course.
- One of the tallest rock climbing walls in Ohio.
- Meditation center with classes for yoga, spinning, zumba and more.

Intramural Sports & Athletic Events

Grab a group of friends or sign up solo for an intramural sport to compete against other student teams in Dodgeball, Ultimate Frisbee, Shortfield Soccer and more, and Coach Pelini better see you on Game Day cheering on your Penguins in 19 collegiate sports throughout the year. #GoGuins

"Everyone at YSU has made it an easy transition from high school to college. There have been many opportunities to get involved. For me, I got into ASCE, the racquetball club and Chi Alpha. Everyone makes you feel so welcome – like you're part of a family. I'm so happy that I chose YSU as my college. I couldn't see myself anywhere else."

Leah McConnell
Class of 2018,
Civil Engineering &
Mathematics

[HOUSING]

Relax and stay awhile!

Living on campus offers the perfect atmosphere for making the most of your college experience. By living on campus, you can be fully immersed in campus culture and build lifelong friendships as you dive into college life. You'll be in the center of it all, with every class and activity on campus just a short walk from your room!

The YSU Office of Housing & Residence Life offers engaging activities and fun events throughout the year that will draw you into campus life, where you can socialize, have fun and learn something new. Their dedicated, enthusiastic staff also offers support and encouragement to all our resident Penguins.

Research shows that students who live on campus obtain higher GPAs and are more involved in activities, and across the nation, residential students are more satisfied overall with their college experience. ***This can be you!***

YSU offers five residence halls, each of which features a unique atmosphere and clean, spacious rooms. There are also five privately managed facilities on campus and downtown, all within walking distance of campus.

If this sounds like the right option for you, we encourage you to learn more at housing.ysu.edu.

5 university residence halls house nearly 900 students in comfortable, spacious rooms.

[SERVICES]

*Your first year in college will be amazing.
And we'll make sure you have what you need to also make it a success.*

- **Internship Coordinators** will help you explore your strengths, find your path in college and a career after it.
- Take advantage of our **tutoring centers** to get personalized assistance with writing, math and communication assignments as well as reading and study skills support when you need it.
- **Student Counseling Services** provides high quality, short term, confidential mental health counseling, consultation, educational training and referral services to support the health and success of all current students.
- The **International Peer Mentoring Program** provided by the Center for International Studies and Programs connects YSU international students with student leaders that understand the challenges of college life. Peer Mentors are assigned to international students and assist adjusting to American life both socially and academically. The International Peer Mentor Program focuses on getting to know new students, learning about YSU, adjusting to U.S. life and academics, and meeting people and having fun.
- The **iPals Community** is an interactive student group designed to help bring the YSU students together – both international and domestic – to create a globalized learning community by engaging in exciting events and trips on and off YSU's campus. iPals works to foster global friendships that thrive in the exchange of languages and cultures in an easy, non-threatening environment. When you schedule a **YSU Airport Pickup Shuttle**, you are welcomed by an iPal and will have the chance to make new friends immediately!

Most importantly, being on campus means being a part of our family. From students to professors, there's always someone looking out for you during your first year and throughout your entire journey at Youngstown State.

Determined | *and proud.*

Photo Credit Whitney Tressel

[THERE'S ALWAYS SOMETHING NEW TO DO.]

Youngstown State connects to the downtown district of the City of Youngstown, which means it's just a short walk to the eateries, nightlife, live entertainment and activities happening downtown all year long.

During the day, there's a buzz of professionals working in the city and other YSU students hanging out between classes filling the sidewalks of Federal Street. Grab a bite from a mix of restaurants and cafes that offer everything from gourmet hot dogs at Suzie's Dogs and Drafts, to Reubens and hot chips at O'Donalds, to pasta and meatballs at Cassese's MVR.

Nights and weekends, YSU students make up the bands, artists and crowds that bring the city to life. Check out local bands or a headlining artist at the Covelli Centre, Youngstown's premier sports and entertainment facility.

Need a quiet place to unwind? The 4,400-acre park smack in the middle of the city is your go-to. Mill Creek MetroParks is Youngstown's favorite gem, with 35 miles of foot and bike trails, beautiful lakes and flower gardens, and a 36-hole championship golf course. Enjoy the scenes at Mill Creek that you won't find in any other city.

Your ticket to all there is to see and do in the city is just a few steps from campus. It's the ultimate university town experience to share with new friends and enjoy as a student at Youngstown State.

Involved | *and proud.*

[THERE'S SOMETHING FOR YOU TO DISCOVER.]

Something for you to trail-blaze. Something for you to master.

Find it at Youngstown State University.

Jenna DeLaurentis
Class of 2018,
Political Science/Foreign Affairs

Passionate | and proud.

"After spending six months studying in Brazil and Italy, I am not only returning trilingual, but with a global perspective that I will undoubtedly put forth toward my studies as I continue to pursue my degree in Foreign Affairs at YSU. Studying abroad through YSU was the best adventure of my life!"

Driven | and proud.

"I started my YSU life at the English Language Institute, and now I'm an undergraduate student majoring in Journalism. Many different nationalities are represented here in YSU, and there are plenty of activities that I enjoy outside of class. Thanks to these opportunities I've had great experiences and learned valuable lessons every day."

Nami Nagaoka
Class of 2019
Journalism Major

Salim Bux
Product Engineer, Indiana Marujun, LLC
MS in Engineering, 2013

Ambitious | and proud.

"As I have started my career in the automotive industry as a Product Engineer and design lead, I am realizing how the mechanical engineering classes offered at YSU provided me all the necessary tools to excel at my job and stand out among my colleagues. The various multicultural activities and events organized and supported by the International Programs Office helped me to understand different cultures. My experience at YSU also challenged me to become more open-minded."

In 2015, Youngstown State University Honors College student, **Ashley Orr**, became the university's first recipient of the prestigious international Rhodes Scholarship. YSU is only the fourth public university in Ohio to have a student win the award in the Rhodes' 112-year history.

“ I am so thankful for the experience I have had at YSU. My peers are some of the brightest people I have ever met, and both peers and mentors at YSU have been a constant inspiration. The support for YSU Honors students is phenomenal; I attended my first national conference as a first year student, was engaged in academic research from my first semester, gained a competitive internship (twice), and even studied abroad. Faculty love working with students, and my coursework complimented my passion for economics and mathematics. I love YSU, and I am SO proud to be able to represent this great university and our Honors College post-graduation. My YSU success story is definitely unique, but in general YSU Student Successes are not; the sky is the limit for YSU students.”

Ashley Orr, '16 BA
Economics and BS, Mathematics, Rhodes Scholar

[THE END IS ONLY THE BEGINNING.]

*A degree from Youngstown State University can take you anywhere.
Just ask one of nearly 91,000 Penguin alumni working, learning and living all over the world.
The hard work will be worth it. Take the first step in your journey today.*

Why YSU? Employability.

Top Companies offer **OPT Employment** and **H1B Opportunities** for our Graduates.
