

10 Questions to Ask About Your Course

Do I have access to the YSU Black Board Student Learning site?

1. What textbooks are required for this course?
2. What technologies are required?
3. Will I need access to online platforms, programs, or software to complete coursework?
4. Does this class have synchronous class sessions when I need to meet my class online at specific days/times each week?
5. How and when will office hours be held?
6. What are ways I can contact the instructor? (e.g., Signal Vine message, email, WebEx, Zoom, phone)
7. What are the major assignments for this course, and what are their point values?
8. How will I submit work for this course?
9. What academic resources (besides the instructor) are available to support me in this class? Remember to include campus resources, classmates, and study groups in your list!
10. What questions do I have about the course, and who could answer those questions?
