Due to the competitive process and limited Fellow positions, carefully review the application and consider your responses before you submit to the Office of College Access and Transition

1. Describe your academic background.

2. List any honors received, titles or certificates earned or special activities engaged in.

3. Describe your most recent employment experience; include names, location, employer, kinds of positions held and responsibilities.

4. Specifically describe how your academic background or former employment experience would enhance your job performance through Navarro Executive Fellows Program?

5. What are your interests and hobbies?

6. What are your occupational plans and goals after graduation?

7. What would you like to gain from the Navarro Executive Fellows Program and an Executive?

8. Should you be selected in the Navarro Executive Fellows Program, what interesting fact would your Executive need to know about you?
