\*NOTE: This plan is intended to illustrate that it is possible to complete the Associate Degree in Nursing in two years. The plan is subject to change based on students' course placement, successful completion of all prerequisite courses, hours earned and career goals. The curriculum requirements on this sheet are for students entering under the 2022-2023 academic catalog. Students will be held accountable all course prerequisites and should refer the YSU Course Catalog for this information. Students with less than 60 credit hours are required to meet with an Academic Advisor each semester prior to registration.
