RESOLUTION TO AUTHORIZE
CONFERRAL OF HONORARY DEGREE

BE IT RESOLVED, that the Board of Trustees of Youngstown State University does hereby authorize the conferral of a Doctor of Music (Mus.D.) degree, honoris causa, upon Bill Bodine, with all the rights and privileges attendant thereto.
Bill Bodine—a Grammy-award winning composer who is also a producer, arranger, bassist, and trumpeter—has been a fixture in the Los Angeles music community for 35 years. He began his professional music career in Youngstown, Ohio and moved to Los Angeles in 1972, when he began touring and recording on upright bass with several notable musicians, including Van Morrison, Olivia Newton-John, Melissa Manchester, Joan Armatrading, Cher, Sergio Mendez, and Peter Criss (KISS).

During the same period, his television work included eight years in the Star Search House Band, two seasons on the New Gong Show, numerous appearances on The Tonight Show, Merv Griffin, Solid Gold, Midnight Special and more recently on trumpet for Arrested Development. As a composer for television specials and series, Bill includes Judge Judy and ABC’s Second Noah as credits. As a songwriter, he has written for top music artists, including Glen Fry of the Eagles, Manhattan Transfer, and Laura Branigan. Furthermore, Bill Bodine Music has composed scores for over 300 television commercials, including Honda, McDonald’s, Nike, Toyota, Gillette, HBO, Fox Network, and NBC.

In addition to his exceptional work as a musician, Bill is involved in numerous philanthropic causes, two of which directly impact students at Youngstown State University and the surrounding Youngstown area. In 1994, Bill established the Tony Leonardi Memorial Jazz Scholarship Fund as a 20th anniversary gift to the Dana School of Music Jazz program (of which Tony Leonardi, Phil Wilson, and he have been credited as “Founding Fathers”). He continues his involvement with the University by organizing and participating in seminars designed to bring active music professionals to YSU to inform and inspire current students and serves as a member of the College of Creative Arts and Communication Board of Visitors.

In 2008, Bill partnered with another former YSU student, Penn State Professor Emeritus Dr. Daniel Marshall, to create Creative Bridge Coalition, a non-profit corporation whose mission is to bring music programs to children with special needs. Currently, Creative Bridge is engaged in projects that serve Youngstown City Schools, Columbiana County Schools, Leonard Kirtz School, and Fairhaven School in Warren. In 2016, Creative Bridge and Youngstown local educator Terry Grimm developed the Valley of the DIVAs concerts, a format to honor the contributions and talents of the women in the Mahoning Valley. The DIVAs concerts also serve as fundraisers for Creative Bridge, allowing the organization to continue to serve the children of the Mahoning Valley.

Bill lives in Los Angeles with his wife, singer Beth Andersen but visits his sister Brenda (YSU ‘71) and friends in Youngstown frequently. Bill and Beth have a son Billy, who is a songwriter/producer in Los Angeles. Bill has returned to campus for a series of masterclasses and performances with faculty and students in the College of Creative Arts and Communication. Bill Bodine is an outstanding musician, composer, arranger, and producer. Accordingly, the Grammy Award he received confirms that he has reached one of the highest levels of achievement within the music industry. He also continues to serve YSU and the Youngstown area through his many charitable activities.

(25) The possession or use of alcoholic beverages in any of the university student residence houses is prohibited. (See university policy 3356-8-01.1, "The code of student rights, responsibilities, and conduct" and "University Housing – Resident Handbook.")

If the event is scheduled elsewhere on the campus, the completed application should be submitted to the director of university events to determine the nature of the event, if those projected to attend satisfy appropriate age criteria and the source of funds of payment of alcoholic beverages. All student organization events must be approved by the director of student activities.

(A) Policy statement. The board of trustees authorizes all of the university’s employee health care insurance programs. This policy is intended to authorize participation in the medical, prescription drug, dental and vision plan options for professional/administrative and other non-bargaining employees of the university.

(B) Health care advisory committee. A health care advisory committee ("HCAC") with representation from all bargaining units and non-bargaining employees from each of the university divisions is established in accordance with the HCAC September 2011 policy and guidelines. The charge of the committee is to review and assess existing medical, dental, prescription drug, and vision benefit plan options and other cost-controlling measures.

(C) Plan design and benefit levels.

1. Bargaining unit employees are eligible for medical, dental, prescription drug, and vision coverage in accordance with the applicable collective bargaining agreement.

2. Eligible employees who are not covered by a collective bargaining agreement are eligible for medical, dental, prescription drug, and vision coverage as identified in the “Benefits” section of the website for the office of human resources at http://web.ysu.edu/hr/.

(D) Premium sharing.

Agenda Item F.4.d
Exhibit H
(1) Bargaining unit employees who choose to enroll in the medical, prescription drug, dental or vision plan will be required to contribute toward the cost of coverage in accordance with the applicable collective bargaining agreement.

(2) Eligible employees who are not covered by a collective bargaining agreement and who choose to enroll in the university’s health insurance plans will be required to share in the cost of coverage as follows:

(a) Employees will contribute, via payroll deduction, an aggregate of fifteen per cent of the funding level. Funding rates will be established for three tiers: the employee only, employee plus one dependent, and family (employee plus two or more dependents) contracts. A flat percentage of salary that is required for funding level to be reached will be identified each July first.

(b) Notwithstanding the foregoing formula, employees shall pay no more or no less than the following percentages of the funding rates effective July 1, 2018:

(i) Minimum of ten per cent (10%), and

(ii) Maximum of twenty per cent (20%).

(c) Effective July 1, 2018, and thereafter, employees will contribute via pay deduction fifteen per cent (15%) of the cost of the employee only, employee plus one dependent, and family (employee plus two or more dependents) of the full premium for fully insured components, or for self-insured components, the established fully insured equivalent rate.

(3) Payments shall be deducted in equal amounts from each eligible participant’s semimonthly paychecks.

(1) As a condition of eligibility for coverage under the university’s group medical and/or prescription drug plan (referred to as “university coverage”), if an employee’s spouse is eligible for
group medical and/or prescription coverage which is sponsored, maintained and/or provided by the spouse’s current employer, former employer (if retirees), or business for self-employed individuals other than sole proprietors, collectively or individually, (referred to as “employer coverage”), the spouse must enroll for at least single coverage in his/her employer coverage unless he/she is entitled to medicare as of January 1, 2015. The use of the word “spouse” in this policy refers to a legal spouse.

For purposes of this section, in instances where the spouse’s employer makes no monetary contribution for employer coverage, such plans will not be considered to be employer coverage. This is intended to apply to situations in which the spouse is a current employee in a business but not to situations in which the spouse is a business owner, including partner of a company and/or firm, is a self-employed individual (other than a sole proprietor) in a business, or a retiree in a group medical and/or prescription drug insurance plan.

(2) The requirement of paragraph (E)(1) of this rule does not apply to any spouse who works less than twenty-five (25) hours per week and is required to pay more than fifty per cent (50%) of the single premium funding rate or three hundred dollars ($300) per month, whichever is greater, in order to participate in employer coverage.

(3) An employee’s spouse who fails to enroll in employer coverage, as outlined above, shall be ineligible for university coverage.

(4) Upon the spouse’s enrollment in employer coverage, that coverage will become the primary plan and the university coverage will become the secondary plan, according to the primary plan’s coordination of benefits and participation rules. Notwithstanding the foregoing, in the event the spouse is a medicare beneficiary and medicare is secondary to the university coverage and medicare is primary to the spouse’s employer coverage, the university coverage will be the primary coverage. Sections 3902.11 and 3902.14 of the Revised Code shall govern the implementation and interpretation of these coordination of benefits rules.

(F) Upon becoming eligible, the employee’s spouse must enroll in employer coverage unless he/she is exempt from this requirement in accordance with the exemptions stated in this policy.
(G) All employees choosing to enroll, whose spouse participates in the university’s group medical and/or prescription drug insurance coverage, shall, upon request, complete and submit to the plan a written certification verifying whether his/her spouse is eligible for and enrolled in employer coverage. If any employee fails to complete and submit the certification form during the annual certification process, such employee’s spouse will be removed immediately from university coverage. Any information not completed or provided on the certification form may be requested from the employee.

(H) If an employee submits false material information or fails to timely advise the plan via the chief human resources officer of a change in the eligibility of the employee’s spouse for employer coverage within thirty days of notification of such eligibility, and such false information or failure results in the provision of university coverage to which the employee’s spouse is not entitled, the employee’s spouse will be disenrolled from university coverage. Such disenrollment may be retroactive to the date as of which the employee’s spouse became ineligible for plan coverage, as determined by the administrator for the university coverage.

The administrator shall provide at least thirty (30) days advance written notice of any proposed retroactive disenrollment. In the event of retroactive disenrollment, the employee will be personally liable to the applicable university coverage for reimbursement of benefits and expenses, including attorney’s fees and costs incurred by the university coverage as a result of the false information or failure. Additionally, if the employee submits false information in this context, the employee may be subject to disciplinary action up to and including termination of employment.

(I) The details of the working spouse limitations and coordination of benefits requirements are available upon request from the human resource office.

(J) For purposes of salary deduction toward insurance premium cost sharing, families in which both spouses are employed by the university have the option either to be treated as only one employee, employee plus one or family coverage, or to select individual coverage and for each to pay the single salary share for premium.

(K) If one spouse/domestic partner works for the university and the other does not, the children remain on the university insurance. If both spouses work for the university and choose employee plus one or family coverage, the higher paid employee pays for the employee plus one or family coverage.
(L) An employee may opt out of health insurance benefits (medical, prescription drug, dental and/or vision) coverage upon submission of sufficient evidence, in accordance with the provisions of this rule, of such coverage from another source.

(A) Policy statement. All employees have a fundamental responsibility to act in the best interests of Youngstown State University (university) and are to avoid conflicts of interest and conflicts of commitment in the conduct of university business. As part of this responsibility, the university expects all employees to apply their time and effort appropriately and are also expected to avoid any situation which conflicts with, or gives the appearance of conflict in objectivity or job performance, to avoid even the appearance of a conflict or impropriety.

(B) Purpose. To educate university employees about conflicts of interest and conflicts of commitment and to provide guidance on addressing and managing such conflict.

(BC) Purpose Guidelines.

(1) A conflict of interest typically exists when financial, professional or other personal considerations directly or indirectly affect or benefit, compromise or have the potential for or the appearance of affecting or benefiting an employee or the employee's family or business associates, compromising a person's objectivity in meeting university responsibilities, including research activities. Employees are expected to avoid participating in decisions or actions on behalf of the university which may result in or appear to result in such benefit.

(2) A conflict of commitment typically exists when an employee may not engage in outside activities, either paid or unpaid, that...
interfere with the performance of performing university job duties and responsibilities at the university. Employees are expected to avoid any situation which compromises or appears to compromise their loyalty to the university and commitment to their university responsibilities, job performance, loyalty, or stewardship to the university. This may be considered a conflict of commitment.

(3) Employees are expected to avoid participating in decisions or actions on behalf of the university which may result in personal gain to the employee or the employee’s family or business associates. This may be considered a conflict of interest.

(3) State ethics laws.

(a) Section 102.03 of the Revised Code prohibits employees from soliciting or accepting or influencing one to give anything of value when it comes from a party who is interested in a pending matter or doing or seeking to do business with the university.

(b) Sections 2921.42 and 2921.43 of the Revised Code prohibit public employees from having an interest in a public contract.

(c) These statutes also prohibit a public employee’s family and business associates from having an interest in a public contract. The Revised Code provides certain exceptions to these prohibitions; however, all exceptions must be approved in advance through the office of contract compliance.

(d) An employee must report the conflict on the “Conflict of Interest Certification Form.” The following procedures are designed to ensure integrity in the conduct of university business.

(4) There are two main conflict of interest provisions in Ohio’s ethics laws that apply to full- and part-time employees of the university. First, section 102.03 of the Revised Code prohibits employees from soliciting or accepting or influencing one to give anything of value when it comes from a party who is interested in a pending matter or doing or seeking to do business with the university. Second, sections 2921.42 and 2921.43 of the Revised Code prohibit public employees from having an interest in a public contract. These statutes also prohibit a public employee’s family
and-business-associates from having an interest in a public contract. There may be an exception to this prohibition, but it must be approved in advance through the office of contract compliance. The employee must report the conflict on the "Conflict of Interest Certification Form." The following procedures are designed to ensure integrity in the conduct of university business:

(D) Use of self-authored material in a course taught by the author/co-author. Educational materials authored by instructors can be valuable and unique course resources. However, in order to avoid even the appearance of a conflict of interest: no university employee is to receive private gain arising from the sale of textbooks or other materials used in a Youngstown state university course in which the employee is an instructor. Therefore an employee/instructor, including full and part-time faculty, who wishes to use self-authored materials must:

(1) Waive royalties or other type of personal gain, or:

(2) Designate the university or a recognized professional organization or honorary to receive such royalties or gain. This option must ensure that there will be no potential for future personal gain by the employee.
