### Product Note:

Please visit us at [Connection.com](http://Connection.com), or give Rob a call with any questions. We carry over 350,000 different technology related products, from desktops, laptops, printers, digital signage solutions and displays. We can custom build a solution based on your specific needs by engaging our many vendor agnostic technical resources. We can offer quick turnaround time on Apple, Dell, HP, Lenovo, Cisco and many other

### Additional Information:

We are now fully authorized to sell Apple devices, and if you've ever had to wait 2-3 weeks for a customer build, we often times have comparable solutions on the shelf.

### Faculty/Staff Discount Program (if applicable):

Connection offers an employee discount to the Youngstown community. Please give Rob a call with what you are looking for. I can't promise you'll get the same pricing as the University, but it will be very close and I'll explain why if you do end up having to pay a bit more.

## Youngstown State University
