LEARN. LEAD. SUCCEED.

Program Description

The Center for Nonprofit Leadership, housed in the Williamson College of Business Administration, offers a unique academic program that includes the Certificate in Nonprofit Leadership and the Nonprofit Leadership Minor. Both the certificate and minor can be paired with any major, leading to a diverse and dynamic group of students. Academic and co-curricular experiences through the Student Nonprofit Leadership Organization (SNLO) are designed to prepare students for entry-level careers in the nonprofit sector and community leadership positions. Students enrolled in this program have a strong desire to “make a living, making a difference.” Networking opportunities with nonprofit professionals and real-world experiences, including internships and consulting projects, are integrated into the curriculum to enhance student learning.
