Student ID: _____

Pre-Nursing – ADN

Courses in Bold are Pre-requisites. Students must be currently enrolled in or have completed these courses with a “C” or better. These courses will make up your Pre-Nursing GPA which must be a 2.5 or higher. In addition to these courses, students must complete the TEAS Test to be eligible to apply for the ADN Program. <https://ysu.edu/admission-information-adn>

REQUIRED TESTING: ATI TEAS

Complete the TEAS test with an overall score of 67% and have results on file with YSU no later than the published due date.

The ATI TEAS, or Test of Essential Academic Skills, is a standardized test designed specifically to assess a student's preparedness for entering the health science fields. Questions are designed to test the basic academic skills you will need to perform successfully in the areas of: Reading, Math, Science, and English and Language Usage.

For more information on taking the TEAS test, go to [TEAS Exam](#). There is a mandatory 30-day waiting period to take the TEAS Test again. You can re-take the TEAS test twice in a 12-month period. [How to send a transcript for TEAS to YSU?](#)

[Resch Academic Success Center](#)

[Free Prep for the TEAS Test](#). Note, you will be prompted to set up a Study.com account before you can access the prep.

Use Classroom Code **yellow-ant-5569** to access the YSU prep.

[Directions to register for TEAS Prep](#)

Please Note: The TEAS test will not be available in the YSU testing center during the month of August.
