

Bitonte College of Health & Human Services

How can you complete

up to **30** Credit HOURS

in **College Credit Plus**

that count towards your future major?

Majors include:

Criminal Justice, Dental Hygiene, Dietetics, Exercise Science, Healthcare Administration, Medical Assisting, Medical Laboratory Science, Nursing, Public Health, Radiologic Technology, Respiratory Care, Social Work

Courses listed are recommended based on degree requirements for the college. Not all courses are offered at the high school. High school options will vary. **Specific general education courses may be required for the major. Some courses may have a pre-requisite.** View the course catalog (catalog.ysu.edu), or schedule an appointment with your academic advisor (contact information below) for more information.

NOTE: HS Biology and Chemistry are required for all restricted programs and Exercise Science majors.

1
