RECESSIONAL

Commencement Speaker

Ellen J. Tressel

Born in Youngstown, OH and raised in the suburb of Canfield, Ellen Tressel has been an active advocate and leader for the state of Ohio throughout her adult career. A proud graduate of Youngstown State University with a degree in Business Education, Ellen has since had her hands wrapped around the region's economic activities and community causes.

Landing her first job working for The Youngstown Welding and Engineering Company she worked her way up to Director of Purchasing until the role of motherhood called. Returning to the workforce after a brief interlude, she worked for Jostens Printing and Publishing, and Butler Wick and Co. earning the role of Vice President of Trading. She obtained several licenses in the securities business while managing marketing, sales, product promotion, OTC equities and new product introduction until her "retirement" in July 2001.

In her leisure time, you may find her on the golf course or swimming pool enjoying the great outdoors.

From then on, and most notably, Ellen has spent her time giving back to the community while serving on numerous boards and service organizations ranging from the James Cancer Hospital Foundation board, Akron Children's Hospital Foundation board, the Home Savings and Loan Board, COSI in Columbus, OH just to name a few.

Ellen continues to remain involved with YSU and the community. She is co-chairing, with Jim Tressel, the campaign for the Zoldan Family Student Center, and remains a member of the Beatitude House board and the Mahoning Valley Historical Society board.

Commencement Student Speaker

Elizabeth J. Brassell

Elizabeth Brassell is a twenty-five-year-old woman from Wickliffe, Ohio, a suburb of Cleveland. Elizabeth lives with cerebral palsy and uses a motorized wheelchair for her mobility. After graduation, she plans to further her studies in social work to earn her master's degree from Youngstown State University with an emphasis of becoming an advocate for social change. Elizabeth has recently become first runner up in the Ms. Wheelchair Ohio competition which has afforded her new platforms to continue her advocacy. She is driven by a passion for helping others and takes pride in serving her community. Elizabeth has a fondness for writing and would someday like to become a published author. She is adventurous, likes listening to old school music from the 80's, and is an avid sports fan, especially the Cleveland Browns. She enjoys spending time with friends and family and loves to travel. Her favorite place to travel is Italy, where she enjoys her "foodcation".

Candidates for Baccalaureate Degree Honors

Because the list of candidates for graduation honors had to be prepared in advance, it is tentative. The diploma, together with a certified transcript, is proof of graduation with honors.

YOUNGSTOWN STATE UNIVERSITY

ACADEMIC REGALIA AND CEREMONY

The gowns, hoods, and caps worn in academic ceremonies today are relics of those worn in medieval times by students and professors. Probably the gowns and hoods were worn for warmth in the unheated halls where lectures were delivered. From the sixteenth century on, somber black garb became the norm, and it is primarily in the hoods worn in academic processions today that the medieval academic paegentry is retained.

The hoods representing graduate degrees granted by various colleges and universities have linings (turned to exhibit their hues to the fullest advantage) in the colors of the granting institutions. In addition, the facing of the hood represents by its color the discipline in which the degree has been granted: white for arts, letters or humanities; golden yellow for science; purple for law; green for medicine; lemon yellow for library science; orange for engineering; olive for commerce or business; light blue for education; pink for music; brown for fine arts; apricot for nursing; dark blue for philosophy; scarlet for theology; citron for social work; sage green for physical education. International degrees do not always follow this protocol.

There are different opinions about the origin of the caps worn in academic ceremonies. One view is that the "mortar board" is in actuality adapted from the wooden square used by masons. Another is that it stems from the ecclesiastical or clerical head covering of the medieval period.

Recipients of University Honors receive golden honor cords placed around the shoulders. Honors College graduates wear a specifically minted medallion on a white ribbon to denote their academic achievement.

Graduating students who serve or have served in the Armed Forces are invited to wear red, white, and blue patriot cords in recognition of their service to our country.

THE UNIVERSITY CEREMONIAL MACE

The ceremonial mace has its roots in ancient Rome. During the Middle Ages, the types of maces - one a scepter and symbol of royal authority, the other a weapon - gradually evolved into a symbol of lawful power and regal authority. Beginning in fourteenth-century Europe, the academic mace became part of the pomp and ceremony of university commencements, denoting the authority of universities to confer academic degrees.

The Youngstown State University mace was designed and crafted by a collaborative team that included YSU faculty, students, alumni, and area K-12 art educators under the leadership of YSU professor Greg Moring.

THE PRESIDENTIAL MEDALLION

This is a one-of-a-kind medallion that bears an embossment of the Youngstown State University seal on each of the small elements and on the large central piece. On the back of the central medallion are engraved the names of the University's past presidents.

The presidential medallion was designed and created out of sterling and bronze by Wendell August Forge of Grove City, Pennsylvania.

THE YOUNGSTOWN STATE UNIVERSITY SEAL

The University's official seal was adopted in 1936. Designed by a student, the seal includes a torch, quills, wings, a globe, and the Latin words animus liberatus. In simple terms, those words summarize the transformation - or liberation - that occurs on this campus countless times each day. In English, they are translated The Mind Freed, or The Spirit Freed.

Congratulations Graduates!

ALMA MATER

*All hail to thee, O Youngstown,
Our Alma Mater fair;
In sunlight and starshine
We see thee in all thy glory.
The Red and the White, thy glorious colors,
Ever we praise and hold them
High to the breeze a the symbol of our
Most loyal allegiance.
This anthem, O Youngstown,
Our pledge of trust shall be
That thy sons and daughters
Shall keep faith with thee forever.*
