RECESSIONAL

*The audience is asked to be seated after the singing of the Alma Mater and to remain seated during the Recessional.
During this special ceremony, please be respectful of others and maintain a quiet atmosphere.*

*Sign language interpreters:
Positioned in the upper northwest section of the gymnasium for the ceremonies in Beeghly Center.
Positioned in the left-hand corner of the stage in Ford Theatre.*

Because the list of candidates had to be prepared in advance, it is tentative. The diploma, together with a certified transcript, is the proof of graduation.

SATURDAY, MAY 4, 2024 9:00 AM
COLLEGE OF GRADUATE STUDIES
CEREMONY SPEAKER
WILLIAM E. BROWN, JR.

A proud graduate of Woodrow Wilson High School in Youngstown in 1967, Mr. Brown (Bill) entered the US Air Force in 1968 and after rigorous physical and psychological training served within the Special Forces Community as a Pararescumen. During his military career he was decorated for “Heroism,” for his part in the rescue of two pilots shot down by surface to air missiles deep behind enemy lines in North Viet Nam. For his actions he was awarded the Distinguish Flying Cross.

Following his military career Bill entered Youngstown State University in 1972 and did not know a single person. In 1973 he was elected and then re-elected Student Government President. In 1977 he earned a Bachelor of Science Degree with a double major in Law Enforcement Administration and Nursing. Bill was a very active student and was awarded the University Pin and was recipient of the “Best All-Round” student award. Beyond serving on multiple University Committee’s, he was recognized as the “man who saved the rock,” which is located today in front of Kilcawley Center after there was communication that the rock was to be relocated off-campus.

Mr. Brown then attended Indiana University where he received a Master’s Degree majoring in Health and Safety Education. During Graduate School Bill worked as an emergency nurse at Wishard Hospital in Indianapolis where he gained valuable experience in the resuscitation of multiple trauma victims, those in cardiac arrest and suffering severe psychological emergencies.

Following Graduate School, he became Director of the Paramedic Program here at Youngstown State University in 1979. Due to his academic credentials and state involvement, he moved on to become the Paramedic Coordinator at the National Registry of Emergency Medical Technicians in 1985. The National Registry is our nations certification agency for Emergency Medical Technicians and Paramedics. Bill was later chosen to be the Executive Director and held that position for 25 years before retiring in 2013. During his work at the Registry Bill completed 754 out-of-town trips meeting with Federal Officials, Chief Health Officers of States, State Boards of Directors and local officials in all 50 states.

Due to his national involvement and leadership in emergency medical services he received many awards. Among them are:

- The Rocco V. Morando, Life-Time Achievement Award by the National Association of EMTs.
- The Ronald D. Stewart, MD, Award, from the National Association of Emergency Medical Physicians.
- The Life-time Achievement Award, from the National Association of EMS Educators
- The Alumni of the Year Award, from the Health Professions at YSU, (inaugural class)
- The Pearson VUE, Hall of Fame Award, (inaugural class)

Bill was recognized for leadership and expertise by Federal and State Officials and served on multiple National Committees that shaped his career field and indirectly touched the lives of all Americans

During his presentation today, Bill will explain “how he saved the rock” on campus and provide the most important people in the audience, the soon to be Graduates, with some “nuggets,” or lessons he learned along the way to his success.

STUDENT SPEAKER

JUDIN BALELLA, MASTER OF ARTS

Judin is an international student from Italy, and he received his BSBA in Marketing Sales from YSU in 2022. He's currently pursuing a master's degree in Professional Communication. During his undergraduate time at YSU, Judin had the honor to experience the American culture, gain different perspectives on life, and meet outstanding individuals from all around the world. The Williamson College of Business Administration (WCBA) has been a catalyst in Judin's career, allowing him to receive an internship in his Freshman year, which led to a full-time job after graduation. He also led two student organizations, Pi Sigma Epsilon and iPals, as president for two years, which led him to be a candidate on the Spring 2021 Homecoming Court.

Judin has had experience working on campus at the Tressel Institute for Leadership and Teamwork. Through this work experience, former YSU president, Jim Tressel, invited him to be 1-of-40 Guest Servant Leaders to represent leadership, career, personal growth, and teamwork to students. One of Judin's fondest experiences at YSU was the opportunity to interview Bozoma Saint John, former Chief Marketing Officer at Netflix, at the Stambaugh Auditorium. These and other opportunities have led him to be featured on the Jambar and on YSU's Guinacast Podcast, where he shared his story and experience as an international student.

"It's been a privilege to serve the very college that brought me to America." says Judin, who is now assisting business students and helping market the WCBA and its initiatives as a graduate assistant. "I am extremely thankful for everything that has been presented to me and I am very glad that it happened right here, at Youngstown State University."

CEREMONY SPEAKER

JOSEPH L. MOSCA

Dr. Joseph Mosca joined the YSU faculty in 1989 and served as an assistant professor, associate professor, full professor, assistant to the dean, chair, associate dean, and dean of the Bitonte College of Health and Human Services. He was appointed as interim provost and vice president of academic affairs in 2018 and retired in 2019 following 31 years of service.

Mosca volunteered on Mahoning County Children Services Board as board member, secretary and chairman for 8 years. After retirement, Mosca served as interim executive director for the agency. Mosca's past service on boards includes Meridian Services, Mahoning County Mental Health, Fish Samaritan House, and the Ohio Children's Trust Fund. He currently serves as chairman of Mercy Hospital Board of Directors, and as board member on Help Hotline of Northeast Ohio, the Diocese of Youngstown Diocesan Review Board and Dorothy Day House.

Mosca's awards include the Edna K. McDonald Cultural Awareness Award, the Watson Merit Award, the Distinguished Professorship Award, the Distinguished Service Award; and the 2023 Heritage Award, YSU's most prestigious award.

STUDENT SPEAKER

HANNAH GRACE NEWTON, BACHELOR OF SCIENCE

Hannah Newton is graduating with a Bachelor of Science in Medical Laboratory Science degree. She graduated from Columbiana High School in 2021 as Valedictorian, and obtained an Associate's Degree as a high school junior from EGCC in 2020. Born and raised in Columbiana, Ohio, Hannah always dreamed she would graduate from Youngstown State University, just like her sister Alyssa did in 2021. During her time at YSU she was the President of the MLS Student Organization, represented the program at YSU's Penguin Preview events, and is now finishing her one-year internship at Cleveland Clinic.

After graduation, Newton plans on working in a Laboratory as a Scientist. She also plans to spend time with her family, and fiancé Dalton, as well as help her sister with her ice cream shop, Lovie's Ice Cream, in Columbiana. Hannah never plans to move away, as the Youngstown area will always be home.

CEREMONY SPEAKER

CHRISTOPHER T. ALLEN

Chris Allen is the North American Director of Talent Management for Vallourec USA, the world leader in premium tubular solutions primarily serving the energy markets (oil and gas, powergen and new energies). He graduated from YSU with a bachelor's degree in Telecommunications Studies in 1992.

Allen is in his 32nd year working in Human Resources, mainly in Manufacturing. Currently, his focus is on training and development, talent acquisition and performance management.

Allen is very active with the students in the STEM College. He not only recruits the students he coaches, gives practical career advice and participates in many student meetings and activities.

Allen also serves as the Board Vice President for the Mahoning Valley Manufacturers Coalition.

STUDENT SPEAKER

ALEXA CHRISTINE BEYER, BACHELOR OF SCIENCE

Alexa Beyer came to YSU from Dewitt, Michigan to play on the inaugural NCAA Division I women's lacrosse team. Off the field, Alexa, a member of the Sokolov Honors College, majored in Astronomy and Physics with a minor in Mathematics. During her time at YSU, Alexa has found a passion within involvement, participating in organizations including the Society of Physics Students, Math Achievement Center Tutor and Girl Scouts of America. With her involvement in the Honors College, she found volunteerism to be an important aspect of her life, volunteering at the YSU, local and international levels. As president of the Society of Physics Students, Alexa helped plan and coordinate multiple first-time outreach events for SPS to get more students and community members involved.

Alexa finds it important for those who can stand up to make a change, should. Through all of her youth she has been an activist for women, LGBTQ+, and BIPOC rights. She hopes to inspire others to see that no matter who you are, what you look like and where you come from, if you work hard enough you can achieve anything. She is thankful for all of the pioneers who have opened the doors for her and broke the glass ceilings to give her the opportunities she has.

In Alexa's undergrad, she was honored with two Research Experience for Undergraduates opportunities. During her second REU at Georgia State University working with Dr. Russel White, she was able to publish her research as first author to the Astronomical Journal. She completed a few projects with YSU professor Dr. Patrick Durrell. With the help of her great mentors, she will be able to take her newly learned experiences to the next level. After graduation, Alexa plans to pursue her PhD in Astronomy at the University of Florida. She hopes to become a professor in Astrophysics while continuing her own research and mentoring the next generation of students. Her main goal in life is inspire students to share her passion and love for physics the same way she was inspired by her professors. With her current career path, it allows Alexa to achieve her dreams of being a lifelong learner.

**BEEGHLY COLLEGE OF LIBERAL ARTS, SOCIAL SCIENCES
AND EDUCATION**

CEREMONY SPEAKER

ASHLEY L. ANDERSON

Ashley L. Anderson is a 2007 alumna with a Bachelor of Arts in Psychology, and a minor in Foreign Affairs. Her most recent position is Associate Communications Officer, UNHCR, at the UN Refugee Agency in Istanbul, Türkiye.

Her path to the United Nations included a position as a child and family caseworker with Trumbull County Children's Services Board and volunteering with a nonprofit agency working with homeless children on the streets of India. Her master's thesis research at the Monterey Institute of International Studies in California led to an internship with the UN's High Commissioner for Refugees (UNHCR). She then became a consultant on the issues of migration, human trafficking and forced labor for the International Labour Organization, as well as other agencies in Geneva, Switzerland.

In 2015, she departed from Geneva to Greece to support in the unfolding refugee crisis. There she participated in rescues of Syrian, Afghan and Iraqi refugees from boats in the Mediterranean Sea to orchestrating the heartwarming reunion of an Iraqi refugee family with their cherished cat, "Kunkush," a story that garnered international attention and later inspired a children's book.

She went on to work in Ghana, Burkina Faso, Somalia and Turkey with the UN to aid refugees in those countries and was selected in the Junior Professional Officer program within US Department of State's Bureau of Population, Refugees, and Migration (PRM).

She was featured in YSU's 2016 fall magazine and was honored as part of the "Penguin Women on the Move" group of alumnae in 2018.

STUDENT SPEAKER

NATHANIEL CHRISTOPHER STROBEL, BACHELOR OF ARTS

Nathaniel Strobel will be graduating with a bachelor's degree in History with a minor in Criminal Justice. Nathaniel has been a dedicated member of the Sokolov Honors college and proud to be a Resident Assistant at the Cafaro House. Throughout his time as a student, Nathaniel is glad to have been a member of the Spanish Club, Dance Club, and Treasurer for the Ultimate Frisbee Club. Upon graduation, Nathaniel will be pursuing his Juris Doctor Degree with the University of Akron and wishes to remain in the area to practice law and give back to the amazing community that lives in Northeast Ohio. Beyond academics, Nathaniel loves listening to, playing, and creating music and is a passionate sports fan. Nathaniel is thankful for the opportunities and friends he has made at YSU and is honored to share his reflections to celebrate this important milestone with his fellow graduates.

**WILLIAMSON COLLEGE OF BUSINESS ADMINISTRATION
CEREMONY SPEAKER**

DEXTER A. CAFFEY

Dexter Caffey, a graduate with a BSBA in Finance from YSU in 1995, is the CEO and founder of Smart Eye Technology, Inc. Smart Eye Technology is a biometric authentication platform that utilizes continuous facial recognition, voice recognition, and other biometrics to authenticate users before accessing sensitive information. Before establishing Smart Eye Technology, Caffey founded an alternative investment firm in 1998 at the age of 25. Over the span of 23 years, he collaborated with major publicly traded US companies through his firm, Caffey Investment Group.

In addition to his professional endeavors, Mr. Caffey has a rich history of community involvement. He is involved with several non-profit organizations. He also remained active with the Atlanta YSU Alumni Chapter.

Furthermore, Mr. Caffey's adventurous spirit has taken him to over 18 different countries, enriching his understanding of diverse cultures and global perspectives. He is married to Rashida Caffey, whom he met at YSU, and they will be celebrating their 25th wedding anniversary on July 17th.

STUDENT SPEAKER

*ANNABELLE MORGAN HIMES, BACHELOR OF SCIENCE IN

CLIFFE COLLEGE OF CREATIVE ARTS

CEREMONY SPEAKER

LARRY A. DAVIS

A native of Salem, Ohio, Davis began his academic career in 1970 as a biology major at YSU before picking up a paint brush. He earned a Bachelor of Fine Arts from YSU in 1976 and seven years later a Master of Fine Arts at California State University in Long Beach, with a major in sculpture.

In 1980, while still a graduate student, Davis began a decades-long career with the Walt Disney Co., holding numerous positions in a variety of creative roles.

From 1986 to 1991, Davis stepped away from Disney to pursue his own design firm. During that time, he had significant success, working in the entertainment industry as well as continuing to create art. He was represented by two Los Angeles art galleries, Piezo Electric and The Brendan Walter Gallery, and was included in group shows at several other LA-based galleries as well as the Holly Solomon Gallery in New York.

Upon returning to Disney, Davis continued creating and exhibiting his own art for a number of years, including a commission from Linane/Drews Architects for a 17-foot-tall outdoor sculpture in Burbank; and shows at Cache Contemporary Gallery in Los Angeles, Stroke and Structure Gallery in Pasadena, Gallery 114 in Portland, Oregon and the MorYork Gallery in Highland Park, California.

The last leg of his Disney career was with Walt Disney Imagineering, the division responsible for designing, developing and executing Disney theme parks around the world. Throughout his career, Davis traveled the world for Disney, with involvement in places like Paris, Tokyo, London, Rome, Hong Kong and Mainland China. In 2016, he retired from Walt Disney Imagineering as Executive Producer and Creative Director, for the Shanghai Disneyland Main Entrance. During this role, after traveling back-and-forth to China for several years of development, he relocated to Shanghai for the entire construction phase of the project. After the Grand Opening ceremonies, he moved back to Los Angeles to begin the next phase of his life in retirement with his wife, Maureen, while continuing to work on a new series of sculptures. He recently showed several of the new pieces at The Pershing Square Building Art Galleries in downtown Los Angeles.

STUDENT SPEAKER

GUNNAR THOMAS CARWILE, BACHELOR OF FINE ARTS

Gunnar Carwile is a Graduating BFA Theater Major from Hicksville, Ohio. In the past he has played Adam in *It's a Small World* or *Robot Play* (Spring 2024), *Geronte in Scapin* (Fall 2023), *Creon in Antigone* (Spring 2023), and played *Ernie Mac, et. al.* in *Puffs* or *Seven Increasingly Eventful Years at a Certain School of Magic and Magic* (Spring 2022). Gunnar would like to thank you all for coming out and enjoying live theater as well as thank the incredible people involved in the crews and shops making his time here fantastic. Gunnar would also like to thank the staff and students here at YSU for making so many memories with him and giving him skills and resources to use as he takes his experience with him on his new adventures. "Thank you all for these 5 incredible years. No matter the ups and downs, they were all worth it and more. No idea what tomorrow will bring, but that's the exciting part about the unknown."

UNIVERSITY COMMENCEMENT COMMITTEE

The Commencement Committee meets annually at the beginning of the spring semester to review and modify all activities and programs associated with or conducted for the Spring and Fall Ceremonies. The Committee will take a comprehensive view of the previous year's ceremonies and make suggestions on how to improve operations for the safe, efficient and excellent delivery of university services. The Committee will meet as needed and will actively participate in ceremonies when available.

YOUNGSTOWN STATE UNIVERSITY

ACADEMIC REGALIA AND CEREMONY

The gowns, hoods, and caps worn in academic ceremonies today are relics of those worn in medieval times by students and professors. Probably the gowns and hoods were worn for warmth in the unheated halls where lectures were delivered. From the sixteenth century on, somber black garb became the norm, and it is primarily in the hoods worn in academic processions today that the medieval academic pageantry is retained.

The hoods representing graduate degrees granted by various colleges and universities have linings (turned to exhibit their hues to the fullest advantage) in the colors of the granting institutions. In addition, the facing of the hood represents by its color the discipline in which the degree has been granted: white for arts, letters or humanities; golden yellow for science; purple for law; green for medicine; lemon yellow for library science; orange for engineering; olive for commerce or business; light blue for education; pink for music; brown for fine arts; apricot for nursing; dark blue for philosophy; scarlet for theology; citron for social work; sage green for physical education. International degrees do not always follow this protocol.

There are different opinions about the origin of the caps worn in academic ceremonies. One view is that the "mortar board" is in actuality adapted from the wooden square used by masons. Another is that it stems from the ecclesiastical or clerical head covering of the medieval period.

Recipients of University Honors receive golden honor cords placed around the shoulders. Honors College graduates wear a specifically minted medallion on a white ribbon to denote their academic achievement.

Graduating students who serve or have served in the Armed Forces are invited to wear red, white, and blue patriot cords in recognition of their service to our country.

THE UNIVERSITY CEREMONIAL MACE

The ceremonial mace has its roots in ancient Rome. During the Middle Ages, the types of maces - one a scepter and symbol of royal authority, the other a weapon - gradually evolved into a symbol of lawful power and regal authority. Beginning in fourteenth-century Europe, the academic mace became part of the pomp and ceremony of university commencements, denoting the authority of universities to confer academic degrees.

The Youngstown State University mace was designed and crafted by a collaborative team that included YSU faculty, students, alumni, and area K-12 art educators under the leadership of YSU professor Greg Moring.

THE PRESIDENTIAL MEDALLION

This is a one-of-a-kind medallion that bears an embossment of the Youngstown State University seal on each of the small elements and on the large central piece. On the back of the central medallion are engraved the names of the University's past presidents.

The presidential medallion was designed and created out of sterling and bronze by Wendell August Forge of Grove City, Pennsylvania.

THE YOUNGSTOWN STATE UNIVERSITY SEAL

The University's official seal was adopted in 1936. Designed by a student, the seal includes a torch, quills, wings, a globe, and the Latin words *animus liberatus*. In simple terms, those words summarize the transformation - or liberation - that occurs on this campus countless times each day. In English, they are translated *The Mind Freed*, or *The Spirit Freed*.

Congratulations Graduates!

ALMA MATER

*All hail to thee, O Youngstown,
Our Alma Mater fair;
In sunlight and starshine
We see thee in all thy glory.
The Red and the White, thy glorious colors,
Ever we praise and hold them
High to the breeze a the symbol of our
Most loyal allegiance.
This anthem, O Youngstown,
Our pledge of trust shall be
That thy sons and daughters
Shall keep faith with thee forever.*
