FIRST YEAR STUDIO ART MAJORS

GRAPHIC + INTERACTIVE DESIGN TRACK

Students should expect to take an English Composition course, ART 1501, ART 1521, and at least one general education course. ART 1501 and ART 1521 must be taken concurrently.

The courses listed in the table below represent typical courses for a first year student in this.   Each student's schedule may look different based upon the answers provided on the Pre-registration Survey, math and other course placements, and course availability.

Students who have earned college credit for any of the courses below will work with an advisor to identify appropriate courses for the first semester.

Your academic advisor will make every effort to accommodate your schedule preferences; however, course availability will be limited in many cases, and may mean that have to take a course at a time that might not be what you would prefer. It is important to remember that your advisor has your long term goals in mind as you work toward pursuing your degree and career.

Math Placement = Level 10 and higher
