Health and Human Services Transdisciplinary Living Learning Community enhances the Youngstown State experience and promotes success for first-year HHS students by supporting academic success, facilitating professional development and encouraging student engagement among faculty and peers in a socially supportive environment.

Students in their first year of the HHS Transdisciplinary LLC will participate in shared coursework, (guaranteed placement in core courses tailored to the LLC experience), residential experience within a cohort and access to a variety of programming, including but not limited to:

- Workshops on academic and professional topics
- Teambuilding and networking opportunities among HHS peers, faculty and professionals in the discipline
- Opportunities to work with and learn from HHS alumni
- Social activities and community building
- Academic and mentorship support from a HHS faculty/advisor and small group discussions in residential setting
- Apply course content to real-world cases and situations through extracurricular programming
- Weekly Shared learning Experiences
- Peer Support from Resident Assistants with HHS backgrounds
- Opportunities to get involved in specialized leadership development and service-learning initiative

The HHS Transdisciplinary LLC is a voluntary group of first year HHS students who share the same Residence Hall and participate in meaningful academic and social experiences. The community will be housed in Lyden House, with a mix of activities occurring in the Lyden basement classroom and various academic buildings.

Through the HHS Transdisciplinary LLC, students will be presented with unique opportunities, programs and services to encourage a comprehensive and successful college experience. The many benefits of being in the HHS Transdisciplinary LLC include:

- Academic Support Opportunities
- Academic advising in Lyden (Spring)
- Shared YSU 1500 (Fall)
- Shared ENG 1550 (Fall)
- Academic Events (Fall & Spring)
- High Impact Learning Practices
- Access to Academic Coaches and Shared YSU 1500 (Fall)
- Social events (Fall & Spring)
- Field Trip (Spring)
- Peer Mentors (optional)

For questions about the housing application or to schedule a tour of Lyden House, please reach out to Housing & Residence Life at housing@ysu.edu or 330-941-3547
