

YSU SEEKS NOMINATIONS FOR 2022 HERITAGE AWARD

This is the annual call for nominations for the Heritage Award.

Nominations will only be accepted via email to: benefits@ysu.edu

by December 31, 2021.

This program was initiated in 1981 as a means of recognizing former faculty and professional/administrative staff who have made major contributions to the University during their years of service. The *Heritage Award* is the most prestigious honor at YSU. Nominees are reviewed by a 16-person Heritage Award Committee comprised of representatives from each college, the administration, alumni, and the YSU Retirees Association. Nominees may be selected for inclusion on the Heritage Register and in subsequent years they are eligible for consideration to receive the Heritage Award.

Nominees must be former members of the faculty (full-time or part-time) or former (full-time) professional/administrative staff that have been separated from the University for a minimum of one year at the time of nomination with no further expectancy of paid employment by the University. Nominees may be living or deceased.

YSU Heritage Award recipients are currently honored with their names carved in a stone wall located in **The YSU Foundation Heritage Park**. Eighty-one (81) awards have been given since the program was initiated. The nomination form and the names of past Heritage Award recipients are available on the YSU Human Resources website at the following link: [YSU Employee Recognition](#)
