\*Fall 2014 reflects the first fall term under the more restrictive "conditional admission" enrollment policy.

An assumption has been made that high school grade point averages of 4.0 or less were calculated on a 4.0 scale. However, due to the unavailability of GPA scales for high school GPAs above a 4.0 (for example 4.17 or 75) high school GPAs greater than 5.0 have been excluded from these averages.
