Please note that mandated changes effective 2012 by the U.S. Department of Education have resulted in reclassification of employee classification categories. For this reason, headcount figures beginning 2012 are not directly comparable to any prior year's figures.

Postsecondary Teachers: Report all persons whose specific assignments customarily are made for the purpose of providing instruction or teaching, conducting research, or carrying out public services activities, regardless of title, academic rank, or tenure status.

Descriptions/Definitions: for the remaining occupational categories are available through the U.S. Department Labor at http://www.bls.gov/soc/soc_2010_definitions.pdf
