Nami Nagaoka
Class of 2019
Journalism Major

"I started my YSU life at the English Language Institute, and now I'm an undergraduate student majoring in Journalism. Many different nationalities are represented here in YSU, and there are plenty of activities that I enjoy outside of class. Thanks to these opportunities I've had great experiences and learned valuable lessons every day."

"As I have started my career in the automotive industry as a Product Engineer and design lead, I am realizing how the mechanical engineering classes offered at YSU provided me all the necessary tools to excel at my job and stand out among my colleagues. The various multicultural activities and events organized and supported by the International Programs Office helped me to understand different cultures. My experience at YSU also challenged me to become more open-minded."

- For applicants with a minimum 26 ACT / 1240 SAT score(s), you may be eligible to apply to YSU's Sokolov Honor's College. Students who are admitted to the Honor's College may be eligible for additional scholarships. You can find more information at: <https://ysu.edu/academics/sokolov-honors-college>
- Admitted students are required to submit official transcripts and diploma at orientation. Failure to submit these documents will result in the revocation of awarded scholarships and may result in dismissal from the University.
