### **Update on Assessment of Student Learning**

YSU has made and continues to make progress in fostering meaningful and relevant assessment of student learning.

## Assessment of Student Learning Activities

- **Academic Assessment:** Academic programs engage in assessment reporting on a five-year cycle through an Assessment Plan, Assessment Update, or a Cycle Reflection. Programs identified for sunset through APEEI with enrolled students will complete a shortened Teach Out Update. Annual reports were due October 31, 2022, through Taskstream AMS. Submission rates were as follows: 27 programs completed an Assessment Plan, one program completed a Cycle Reflection, 49 programs completed an Assessment Update, and six programs completed a Teach-Out Update (58% current submission rate). As of February 2023, 25 programs (17%) have requested extensions to submit their reports in Spring 2023, and 41 programs (28%) have not submitted. Assessment Council members acted as volunteer peer reviewers of annual program submissions in December 2022-January 2023. Programs will be sent feedback in March 2023.
- **Co-Curricular Assessment:** Co-curricular programs continue to engage at high levels with student learning assessment. Reports will be due next in June 2023, with training and information provided later in the spring. Beginning in Fall 2022, Institute for Teaching and Learning staff began hosting a monthly Co-Curricular Assessment Community of Practice where entry- to mid-level professional staff come meet to learn more about collecting and using student data.

## Current Student Data Collection

- **Noel Levitz Student Satisfaction Inventory & Adult Student Priorities Survey:** Student data from the Spring 2022 administration of the Noel Levitz Student Satisfaction Survey was shared widely across campus through the Fall Noel Levitz Snapshot Series. Each Monday, the Institute for Teaching and Learning released (via newsletter and website) a focused data one-pager including key data points. The Noel Levitz Data Conversations Lunch and Learn series will take place March 22, March 29, April 5, and April 12. This series will encourage campus conversation around data points.
- **National Survey of Student Engagement:** YSU will be participating in the National Survey of Student Engagement (NSSE) in Spring 2023. Survey administration dates are March 15, 2023, through May 14, 2023. All first-year and senior students will be invited to participate. In addition to posing the standard survey questions, YSU will be asking students to complete two topical modules: Civic Engagement and First Year Experience/Senior Transitions.
