

Learning Objectives

Name _____ Major: _____

Faculty Advisor: _____

Work Site: _____

Communicate with your supervisor to plan which skills and traits you wish to develop through the term. Try to make them as specific as possible.

Ex. "Increase communication skills by working with other interns on Project X" is better than "Better communication."

What soft/transferrable skills do you hope to improve? (Examples: communication, organization, analytical thinking, problem solving, etc.)

1. _____

2. _____

What technical skills related to your field of study will you learn?

1. _____

2. _____

What type of personal traits do you plan to utilize or enhance? (Examples: professionalism, independence, patience, work ethic, etc.)

1. _____

2. _____

Student Signature: _____ Date: _____

Supervisor Signature: _____ Date: _____
