Raise awareness and advocate for mental health through art.

**Contest Details:**
Create Art that represents Mental Health Awareness & what this means to you!

**Your artwork must include the following:**
- A theme of reducing the stigma of Mental Health & seeking treatment
- An advocacy component to promote mental health awareness
- Representation of the diversity within our campus community
- Representation of positivity & inclusivity
- A creative, consistent message that will be constant over time (Artwork will remain in place for an extended time period.)

You can paint, draw, print work, etc.—be creative!

Your art could be chosen to be displayed in Student Counseling Services!

**Contact Anne Lally (alally@ysu.edu) to submit art work or if you have any questions.**
