Task History and Approval Letter

An overview of all your studies and submissions, what you need to do and at which level your studies are can be found on the Human Ethics Dashboard.

Clicking Studies gives you an overview of all your studies and the status.
Clicking **Submissions** gives you an overview of all your submissions including initial, modification and renewal submissions, the status, review type, your role and the decision.

You can follow your submission via the status (top of page), additional information on your submission can be found in Task History. Click a study in **Submissions** and click **Task History**.

You can access your approval letter, by clicking a study in **Submissions** followed by **Letters**.
