

Emilie Brown, M.S.Ed.

Coordinator STEM Outreach and Scholarships

Emilie Brown is the Coordinator for STEM Outreach and Scholarships. Emilie is a two-time YSU grad, earning her Bachelor's in Psychology and her Masters in Education in Counseling/Student Affairs Leadership and Practice. She was hired full-time in 2008 as an academic advisor for the BS/MD and pre-health professions students. In 2012, she moved to her current position, in which she connects the STEM College with the community, promotes opportunities in STEM to prospective students, and manages STEM scholarships, including the Choose Ohio First Scholarship Program.
