

Nico Morgione, MBA Associate Director, Business Development & Industry Partnerships

Nico Morgione holds a Bachelor of Science in Business Administration degree in Marketing Management and a Master of Business Administration from Youngstown State University (YSU). Nico joined YSU in 2022 with a focus on building relationships with business and community partners to amplify our Workforce, Education, and Innovation programs. He has worked on developing partnerships for advanced manufacturing, information technology, 5G and Broadband, the YSU Data Mine, Tressel Institute for Leadership and Teamwork, and more.

Nico remains active in the community which assists in building relationships with partners for grant opportunities and connecting with new businesses. He enjoys attending events with our regional economic development partners and professional associations such as the Youngstown/Warren Regional Chamber of Commerce, Team NEO, Mahoning Valley Manufacturing Coalition (MVMC), Ohio Telecom Association (OTA), and many others. Additionally, Nico serves on the board of the Mahoning Valley Young Professionals (MVYP) and works with the Downtown Youngstown Partnership. Outside of work, he enjoys playing music with his band RDNA at local venues and events throughout the region.
