Health Plan Reporting:

Medical

Blake Babcock from Findley presented monthly financial and utilization reviews to the committee members through 10/30/2020. He provided an executive summary for the past twenty four months, gross medical and prescription drug claims, large claims summary along with a previous year comparison and demographic data.

Dave Barchet provided possible changes to government regulations to the ACA, Prescriptions Drugs, COVID-19 with the potential new administration.

Stephanie Muller from Medical Mutual of Ohio an update to the telehealth benefits offered through Medical Mutual. Although new regulations will be effective 1/1/2021 through the state of Ohio, MMO has been offering these services since April of 2020 and will continue to offer these services through 2021.

HHS elected to extend the National Public Health Emergency through 1/20/2021. This means that MMO will continue to pay for COVID-19 testing 1/20/2021 at no cost share to the member. Treatment will still be subject to plan provisions.

At the October HCAC meeting, committee members requested claims information for mental health claims for the past several months. Stephanie provided claims for calendar years 18/19 years and 19/20 years for the committee to monitor during the pandemic.

Stephanie provide information regarding mental health resources and YSU plan coverage for mental health services.

Wellness

Carrie Clyde information to the committee discussing the utilization of the Employee Assistance Program. She will provide a utilization report that provides information about the different services employees are requesting through the EAP. Once this report is available, it will be posted with the materials for the meeting.

Carrie is almost complete with the 2021 incentives program. Information will be sent out and posted to the Living Well website for employees to review and prepare for this 2021.
