# COVID-19 National Emergency

- With the end of the COVID-19 Public Health Emergency (PHE) and National Emergency, benefits and timeframes that were extended temporarily due to COVID-19 will revert to those that existed prior to the beginning of these emergency periods. These impacted topics with effective dates:
  - COVID-19 Testing (May 12, 2023)
  - COVID-19 Vaccines (May 12, 2023)
  - COVID-19 Treatment (May 12, 2023)
  - Election Periods (June 10, 2023)
- Medical Mutual will update the plan benefits aligning with the above dates for the benefits we administer
- More information will be posted to the COVID-19 pages on MedMutal.com as we get closer to May 1, 2023
- Group email forthcoming with Member flyer

# COVID-19 National Emergency – cont'd

- Member flyer to share with plan enrollees explaining how coverage for testing, vaccines and treatment is changing
- Medical Mutual will also use the Member FAQ communication to let members know how the COVID-19 benefits will change
- Message on communication is below:

The public health emergency and national emergency declared in response to COVID-19 will both end on May 11, 2023. Many COVID-19-related benefits extended temporarily during the emergency periods will end and coverage for COVID-19 tests, vaccines and treatment will change. Please visit [insert link information] for details.

## COVID-19 Benefits

What's Changing with the End of the Public Health Emergency and National Emergency

Two health emergencies were declared in response to COVID-19 and are ending soon. The national emergency ended on April 10, 2023, and the public health emergency ends May 12, 2023. Many COVID-19-related benefits extended temporarily during the emergency periods will end and coverage for COVID-19 tests, vaccines and treatment will change.

### Testing

Over-the-counter test kits no longer covered

Office, emergency room, urgent care, and telehealth visits for testing, as well as the COVID-19 test performed during that visit, continue to be covered, but are subject to member cost sharing\*\*

### Vaccines

Vaccines continue to be covered with no member cost sharing\*

Vaccines received from an out-of-network provider are subject to out-of-network charges - members with no out-of-network coverage will be responsible for the full cost of the service

### Treatment

Treatment will be covered as medically necessary and subject to member cost sharing\*\*

### Questions

If you have additional questions about changes to coverage for benefits extended during the COVID-19 emergencies, please call the Customer Care number on your ID card.

\*Does not apply to grandfathered plans. Please check with your employer to see if your plan is grandfathered.

\*\*This assumes that Ohio Department of Insurance Bulletin 2020-5 will be rescinded effective the same time that the national emergency periods end.

# Find a Provider & Cost Estimate Flyer Update

MedMutual Find a Provider makes it easy to compare doctors, facilities and estimated costs so you can make the best decision for your health and wallet.

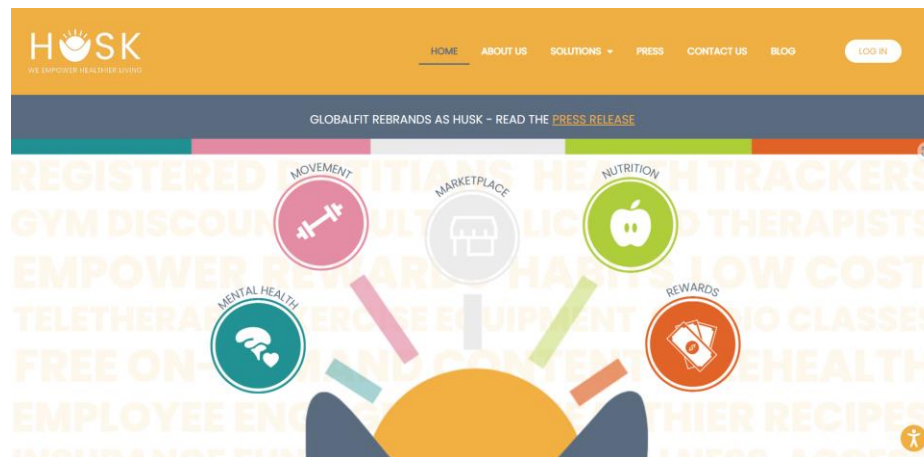

## Updated Flyer

- How to get Started
  - Log in to **My Health Plan** at MedMutual.com/Member or via the **MedMutual mobile app**
- How to Search for In-network Doctors and Facilities
  - Search for in-network providers by **name, specialty, location and more**. Search results are customized to your plan and based on your home address, or you can choose to search from a different location.
- How to Compare Costs
  - Enter the **procedure name** or **CPT code(s)**.
  - Review the range of average costs within your search area.
  - Compare the individual cost estimates for each matching provider.

**Note:** Estimates may be for just one part of a surgery or procedure. Some services like anesthesia and doctor's fees may be billed separately. To increase the accuracy of your cost estimate, ask your provider for all CPT codes involved in your procedure.
