PART TWO: PRE-ENROLLMENT STATEMENT OF FINANCIAL RESPONSIBILITY

- As a condition of enrollment in the College Credit Plus program, under
 - ♦ **Option B (state-pay)**, the application fee, books and tuition (including instructional, general, technology and course fees) associated with courses in this program are paid by the appropriate school district under Ohio's College Credit Plus program.
 - ♦ **Option A (self-pay)**, the student/parent pays for books, supplies and tuition (see <https://ysu.edu/ocat/college-credit-plus/student-cost-option-vs-option-b> for more information) associated with courses in this program that are not paid for under Ohio's College Credit Plus program.
- Any other financial obligations are payable by the student and/or the parent/legal guardian of the student if the student is a minor. These financial obligations include, but are not limited to: *campus rec fees, transportation (parking) fees, fines (library, parking), tickets for athletic events, transcript costs, tuition costs (including any non-resident surcharge) and electronic materials for courses taken outside the College Credit Plus program, etc.*
- Any questions relating to student withdrawal, courses not successfully completed, and/or reimbursement of funds to the school district should be addressed directly to the district's administration.
- Please note that the failure of the student to successfully complete the course or withdraw from the course by University deadlines does not relieve the student/parent/guardian of the financial responsibility of any other costs incurred.
- I promise to pay YSU all fees not paid under the CCP program in full on or before each of the payment due dates as specified on my student's billing statement (which may be in paper or electronic format). The current balance due may change without notice based upon subsequent action of the YSU Board of Trustees and/or the University.
- I understand that my registration for future terms, request for transcripts and other services will be denied until all debt is satisfied.
- I agree to pay any and all attorney fees and/or other costs associated with collection of any unpaid amount.
- I authorize the University, the University Bursar, and their respective agents and contractors to contact me regarding my account balance, including repayment of past due balances at the current or any future phone number that I provide, at a phone number found by skip tracing, or at a phone number provided by another source for my cellular phone or other wireless device using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.

PART THREE: REGISTRATION, ADVISEMENT, AND SHARING OF RECORD

- As a new CCP student at YSU, I agree to attend the mandatory CCP orientation or as a continuing CCP student at YSU, I agree to complete the mandatory continuing student advisement requirement. I understand that I may be withdrawn if I do not.
- I am registering for a college course. I understand that there are two different deadlines by which to withdraw:
 - ♦ The 100% refund date is the date I can withdraw by so as not to incur tuition and possibly textbook charges. There is no record of the course on my YSU transcript.
 - ♦ The "W" date is the date where I can withdraw with a grade of "W". My school/the state may ask me to reimburse for tuition and textbooks paid on my behalf. A "W" will show on my YSU transcript as my grade, but it will not impact my overall YSU GPA.
 - ♦ I understand that after the "W" date has passed, I will receive a grade for the college course.
 - ♦ A calendar of dates for each term I am registered is emailed to me prior to the term starting. I understand it is my responsibility to review the calendar and know what the dates are to withdraw by.
 - ♦ For more information regarding the University's change of registration policies, please visit: www.ysu.edu/ocat/college-credit-plus/registration
- I understand that I have been assigned a YSU Academic Advisor and that I can speak with him/her, as well as YSU CCP Staff and my high school counselor, regarding the course(s) I am registering for. If I do not remember my YSU Advisor information after it is given to me at New Student Orientation or Continuing Student Pre-Advisement, I can contact the CCP office for help.
- I understand YSU will release my academic information to the school district and my parent/guardian as required by ORC 3365 and OAC 3333-1-65.

PART FOUR: MATURE CONTENT DISCLAIMER AND ACKNOWLEDGEMENT

- The subject matter of a course enrolled in under the College Credit Plus program may include mature subject matter or materials, including those of a graphic, explicit, violent, or sexual nature, that will not be modified based upon College Credit Plus enrollee participation regardless of where course instruction occurs **(including at the high school)**.
- **Students should read through the course syllabus and review the course textbook and materials before the 100% refund date of the term to make an informed decision on whether or not to stay registered for the course. Withdrawing from a course after the 100% refund date because of the course content will not eliminate tuition charges.**
