

# Bitonte College of Health & Human Services

How can you complete  
up to **30** Credit  
**HOURS**  
in **College Credit Plus**  
that count towards your future major?

## Majors include:

Allied Health, Criminal Justice, Dental Hygiene, Dietetics, Exercise Science/Pre-Physical Therapy, Medical Laboratory Science, Public Health, Nursing, Respiratory Care, Social Work

**PLEASE NOTE:** All the above listed majors (except Criminal Justice and Social Work) require a year of high school Chemistry. If you do not take high school Chemistry, it can delay you up to a year.

Courses listed are recommended based on degree requirements for the college. Not all courses are offered at the high school. High school options will vary. **Specific general education courses may be required for the major. Some courses may have a pre-requisite.** View the course catalog (catalog.yzu.edu), or schedule an appointment with your academic advisor (contact information below) for more information.
