

Transfers

Course options for students looking to transfer to another state college/university.

How can you complete

up to **30** Credit HOURS

in **College Credit Plus**

that will transfer to other Ohio public colleges and universities?

Not all courses are offered at the high school. High school options will vary. The following represents a sample of courses you can enroll in that will transfer to any state college or university in Ohio. Please visit <https://transfercredit.ohio.gov/> for a list of transferable courses. For more information about each YSU course, please view the course catalog (catalog.ysu.edu).

1
