CREDIT PLUS

College Credit Plus (CCP) is a dual enrollment program for 7th–12th graders. Students earn college credit while taking classes at their high school, online or on campus. CCP may shorten the time it takes to earn a degree and provides a significant savings on future tuition.

*This program is **NO COST** to most students!*

Student admission requirements: 2.0 overall, unweighted GPA, 2.0 Core GPA, ACT Composite Score of 17 and meet at least one college readiness benchmark.

Note: Admission to CCP does not guarantee enrollment in any college course. Students meet course placement requirements through ACT/SAT or university placement exams.

Interested in starting to earn college credit while in high school? Sign up with your school counselor **by April 1!**

Application days take place February or March at your school.

To learn more, visit www.ysu.edu/CCP or call **330-941-2447**.
