College Credit Plus (CCP) is a dual enrollment program for 7th–12th graders. Students earn college credit while taking classes at their high school, online or on campus. CCP may shorten the time it takes to earn a degree and provides a significant savings on future tuition.

This program is NO COST to most students!

Student admission requirements: 2.0 overall, unweighted GPA, 2.0 Core GPA, ACT Composite Score of 17 and meet at least one college readiness benchmark.

Note: Admission to CCP does not guarantee enrollment in any college course. Students meet course placement requirements through ACT/SAT or university placement exams.

Interested in starting to earn college credit while in high school? Sign up with your school counselor by April 1!

Application days take place February or March at your school.

To learn more, visit www.ysu.edu/CCP or call 330-941-2447.
