Proposals must be submitted to the YSU Budget Office, no later than February 1, 2018

Section II: Description of the proposal and its alignment with the YSU 2020 Strategic Plan

Please summarize the proposal and specify how it aligns with the YSU 2020 Strategic Plan.

| Campus safety impacts the entire campus community. Providing a safe and secure environment is foundational to creating an environment for learning and innovation which is core for the Student Success cornerstone of the Strategic Plan. |
|---|
| Currently, 636 security cameras are installed across campus. 401 (63%) of these cameras are over 5 years old. Even though these cameras are considered operational, many/most produce grainy images that are not effective for police follow up. This funding would replace 100 of the oldest cameras. |
| |
| Section III: Shared governance and stakeholder engagement |
| Was the proposal developed collaboratively and with input from all stakeholders? Please |
| describe the process used to develop your proposal. CCTV Camera refresh has been a topic of discussion at the Senior Leadership meeting level. This proposal was developed through discussions between the YSU Police Department and IT, since IT manages the aging fleet of cameras and digital image repository. |
