2019 Alumni Exhibition | January 26 - March 7
Public Reception, Saturday, January 26 from 5-7pm

The John J. McDonough Museum of Art on the campus of Youngstown State University presents the much-loved and long-anticipated 2019 Alumni Exhibition. An opening reception will be held on Saturday, January 26 from 5-7pm. It will feature opening remarks by President James P. Tressel and Dr. Phyllis Paul, Dean of the Cliffe College. A craft beer tasting will be provided by Noble Creature Cask House, which is co-owned and operated by one of our own YSU art alumni (drink tickets-cash only). The show will be on display in the galleries through March 7.

We are honored this year to have Dr. Louis A. Zona of the Butler Institute of American Art as our juror. Executive Director since 1981, he was instrumental in the dramatic expansion of the Butler physical plant and its collection. The Butler’s exhibition programming has brought to Youngstown some of the most significant artists in American history such as, Robert Rauschenberg, Jasper Johns, Louise Nevelson, Robert Motherwell, Andy Warhol, and Andrew Wyeth. Dr. Zona has received numerous awards including, the Gary Melcher's Medal from the Artist's Fellowship of New York City for his "contributions to American art and culture," the OK Harris Medal in New York for service to the art community and the Leadership in the Arts Award from the National Portrait Society. He has also written extensively on art and has composed essays for exhibitions held at the Nancy Hoffman Gallery NYC, Eaton Fine Arts of West Palm Beach, and numerous individual artists exhibitions across the United States.

The 2019 Alumni Exhibition honors Department of Art graduates and celebrates over seventy years of arts education in the Cliffe College of Creative Arts and Communication at Youngstown State University. This special reunion of alumni work reflects the diversity of the Department of Art and exemplifies the deeply rooted and far reaching creative spirit of YSU. The exhibition features art in a variety of media by alumni from across the country. Of the 200 plus works entered, 88 pieces by 85 alumni artists were accepted. Participating alumni include professional artists, art educators, and representatives from a broad range of fields who have benefitted from the creative problem solving and critical thinking skills engendered by their studio art education.
